

Fuel Your Drive... From the Fairway to the Fast Lane, Discover What Powers Champions

All DRIVE2DRIVE programs support our foundation's initiatives, benefiting veterans through our Wishes for Warriors and Veterans Victory Programs.

VISION • Bridging Golf and Professional Sports for Business Success

Drive2Drive is a unique program that brings together golf, professional athletes, and veterans, showing how the champion mindset and discipline of veterans can inspire and create business change.

OUR MISSION • Honoring Veterans, Inspiring Through Excellence

DRIVE 2 DRIVE harnesses the power of golf and professional athletes to raise awareness and funds for veteran programs.

By connecting battlefield heroes with sports champions, we inspire communities to recognize the importance of mental resilience.

Through unique golf experiences, we empower veterans by sharing their courageous stories, while uniting athletes from MLB, NBA, NFL, and NASCAR in a mission of support and gratitude.

CORE PROGRAMS • Golf and Gratitude: Veterans Appreciation Events

Drive2Drive hosts exclusive golf events at top-tier courses across the country to thank veterans and their families for their service. These events feature:

 **Professional Golf Coaching:** Veterans receive tour-quality coaching from former PGA pros, helping them improve their skills while enjoying a world-class experience on the green.

 **Veteran-Athlete Connection:** Veterans have the unique opportunity to engage with professional athletes from various sports, sharing stories of perseverance, teamwork, and dedication.

 **Honoring Families:** Family members are included in these events, recognizing the sacrifices they have made alongside their loved ones in service.

CORE PROGRAMS • Performance Under Pressure: Leadership & Resilience

Through the lens of both military service and professional sports, Drive2Drive offers powerful workshops that focus on:

 **Leadership Skills:** Veterans and participants learn how to apply military principles and athletic discipline in their personal and professional lives.

 **Handling Pressure:** Veterans and athletes share stories of thriving in high-stakes environments, teaching attendees how to manage stress and build mental resilience.

 **Corporate Integration:** Businesses can sponsor these workshops as part of their leadership development programs, offering employees invaluable insights from those who have performed at the highest levels.

CORE PROGRAMS • Veteran – Corporate: Team Building & Networking

Drive2Drive collaborates with businesses to create corporate-sponsored golf events and leadership experiences, offering opportunities for companies to:

 **Giving Back to Veterans:** By sponsoring events, businesses can show their gratitude and support for veterans, enhancing their corporate social responsibility efforts.

 **Corporate Team Building:** Employees have the chance to participate alongside veterans and pro athletes, strengthening teamwork, leadership, and communication skills in a dynamic, relaxed environment.

 **Networking Opportunities:** These events serve as a platform for veterans, athletes, and corporate leaders to build meaningful connections that extend beyond the golf course.

CORE PROGRAMS • Lessons of Service & Sport – Motivational Speaking

Drive2Drive offers speaking engagements featuring veterans and athletes who share their stories of dedication, perseverance, and overcoming adversity. Key benefits include:

 **Inspiring Audiences:** Whether for corporate events, schools, or community gatherings, these talks inspire audiences with lessons from the battlefield and the playing field.

 **Strengthening Work Ethic:** Learn how pro athletes and military personnel alike maintain a strong work ethic under pressure, and how those same principles can be applied in business and life.

 **Corporate Sponsorships:** Companies can sponsor these events to align themselves with powerful, inspirational messaging, offering value to both veterans and their broader community.
